

WARD-CLOSE et al
Appl. No. (To Be Assigned)
U.S. National Phase of PCT/GB2003/004093
March 25, 2005

REMARKS/ARGUMENTS

The above amendments are made to place the claims in a more traditional format. The Office is requested to appreciate that the corresponding published application (WO 2004/029332) was published with a set of claims 1-30. The above amendments have canceled claims 1-30 and entered new claims 31-50. Claims 31-50, shown above, are believed to be the only pending claims.

The specification has been amended to include a cross-reference to the parent applications and to include the abstract.

Respectfully submitted,

NIXON & VANDERHYE P.C.
